Have asked that info and should know next week. Also asked what times shore excursions are and when passengers get back to ship.
We will do welcome signs and distribute to all businesses downtown and Port of Call.
Looking forward to working with everyone to make this a great port call for these cruise passengers.

Katherine: Thank you for the email! It is good to hear you have any specific details of how many are pre-booked for shore excursions vs. the number that will be on their own! This will help determine resource allocation. We are always prepared at the DMU to assist as needed! On Thu, May 26, 2016 at 5:28 PM, Baker, Arley wrote: > Thanks for the heads up Katherine.
